

AFFIDAVIT OF BRANDY CLARK WILLIAMS

State of Arizona)
) ss.
County of Maricopa)

Before the undersigned Notary Public, duly qualified and acting in and for said county and state, appeared Brandy Clark Williams, to me well known to be the affiant herein, who stated the following under oath:

- "1. My name is Brandy Clark Williams. I am over the age of 21 and competent to give this declaration.
2. All of the information set forth herein is within my personal knowledge and is true and correct.
3. In 1993, I lived at 1609 S. McAuley Street in West Memphis, Arkansas, with my mother Deborah and my sister Jamie. I was eleven years old at the time.
4. On Wednesday nights in 1993, my sister Jamie and I attended youth group meetings at our church. We were driven to those meetings by our youth group coordinators, who picked us up at 6:30 PM on those nights to go to the church.
5. On May 5, 1993, around 6:30 PM, my sister Jamie and I were leaving our house to meet the youth group coordinators who were picking us up to drive us to our church youth group meeting. As we were walking down the driveway, I remember seeing Stevie Branch come out of our backyard, around the side of our house, riding his bicycle. Christopher Byers and Michael Moore were running behind Stevie, going in the same direction.

6. As this was happening, my mother had come out of the house too and she yelled something to the boys about not playing in the backyard because they might get hurt. None of the boys responded to my mother.
7. My sister Jamie then also told Christopher that he needed to go home because his father or brother wanted him home. Christopher said something back to Jamie which brushed her off, but I do not remember his exact words.
8. As we were getting in the youth group coordinators' car, I remember seeing Stevie's dad standing in the driveway of his house, a few doors down, while Stevie's little sister was riding a three-wheeler in the driveway. Stevie's dad then yelled to the boys to "come back down" to his house, and the boys went in that direction toward him.
9. At the time of the events described above, I knew Stevie, Christopher, Michael, Stevie's dad and Stevie's little sister from the neighborhood.

10. I remember these events quite clearly because of the trauma of learning the next day at school that Stevie, Christopher and Michael were missing, and learning subsequently that they had been murdered."

Further the affiant sayeth naught.

IN WITNESS WHEREOF, I hereunto set my hand this __ day of _____,
