Lucifer
Deanna Holcum - Lucifer's girlfriend
Snake - Robert Birch

June 6, 1993
Friday

Jessie is afraid of Lucifer and Lucifer made
Jessie turn himself in. Because Damien and
Jason were suspects, Jessie told the police that
Jason and Damien were there also. I came
by here 3 times that Wednesday and I had
a friend named Kevin that was also. I was
here at 7:30, 8:00, and 8:30. He was here
all 3 times.

Don Namm

Don said Jason was at Wal-mart til 7:15
and said Jason went home.

Kevin said Snake real name was Robert Birch.

Garrett

Damien broke up with Deanna then
she met Lucifer and started learning black
magic.

HEY HEATHER.

I thought that I would write you
A few lines to let you know how I'm
doing, which is not very good. I think
of you all the time. I CAN'T help but
wonder if you still CARE for me like you
did, OR EVEN At all, but I still LOVE you like I
did, and I always will FOREVER NO MATTER
what. I HOPE that you RECEIVE this LETTER
I hope that you RECEIVED the OTHER 2 LETTERS
that I SENT. I am dying to SEE OR HEAR from
you. I tried to call you twice, but the first
time I CALLED NO ONE ANSWERED the phone,
the SECOND time your brother ANSWERED, and
he told me to NEVER call there again, INSTANTLY
I WENT INTO TEARS, If I call, I have to call collect,
but my mother will pay that part of the bill
If your PARENTS don't want to pay it. I can only
USE the phone ONCE a day, for only 5 minutes.
I usually call my mother, but I would much
RATHER call you. I have two lawyers, they seem
to be pretty confident that I am going to
be found INNOCENT which I am,

003169 →

as I am SURE that you know. I have
people to testify in court, where I was all
day that day, so I am going to be found
INNOCENT at the trial. THE problem is proving
it to the people of West Memphis, because they
want me dead out there, as I am SURE
that you already know. My mother has RECEIVED
THREATENING phone calls and stuff like that.
What gets me is why JESSIE would make
up such a lie as that, because I thought
that we were sort of friends except for
that night at the skating rink when he
tried to steal my necklace, and that made
me pretty mad, but not as mad as all of
this is making me. I HAVE NEVER BEEN
in jail before, except for once and I was only there
for one hour that was nothing, but this here
is about to drive me INSANE, they keep me locked
up in my cell for 24 hours a day, while the other
prisoners get to get out of their cells all day long
to play games, watch T.V., eat snacks, and all kinds
of stuff while I just sit here, staring at the
walls thinking of you. I really hope that we
can pick up where we were when I left, when
I get out, but I don't know, for some reason
I have a bad feeling about when

003170

I get out. I love you I really, really
do, I've loved some of the girls I've gone out
with, but NEVER have I loved a person
the way that I love you, I really hope
that this will all work out soon, because
I really can't take it much longer, well
I've got to close,

Love,
Jason Baldwin

P.S. I'm writing down the address here
so that you can write me if you wish,
if you do decide to write include your
mailing address so that I may send
letters straight to your house.
