The truth is this

I was a resident of 245 west Lake Drive Lake Shore trailer park on May 5, 1993 and 2 months prior to that date that being the home of Charles Jason Baldwin. In that time we ~~can~~ became very close, and I got to know Charles very well. He has been like a son to me and to my knowledge, he has never lied to me in any way. I was the keeper of the house on May 5, 1993 and swear that the following is true Jason got home from school at about 3:30 He ate a snack and at about 4:00 he informed that he was going to his Uncle's house to mow grass. His Uncle Hubert had called the day before asking that Jason come over to mow the grass the next day to cut the grass his grass was still wet from the rain before. I was outside waiting for a cop that wanted to by my jump a friend of Jason's named Kenny asked for Jason. They then left the house. I was at home when

His mother Angela Gail Brown
7:30 to check on her kids.
The house ~~was~~ ~~the~~ awake until
home from work which was at about

at about 7:35 Jason ask me if it was
alright to return a cassette tape to a
friend and I told him it was ok.

He was gone 20 minutes and returned to help
me with the house chore of washing the
dishes. After he finished his chore he
they took a shower and went to bed.

He did not leave the house any time
after returning the tape. I swear that
this statement is true so help me God
If I can be of further assistance,
please feel free to call upon me at
any time.

Sincerely
