MEMO TO FILE

Date: September 24, 1993

Re: Jessie Misskelley

From: DTS

Spoke with Jessie today via telephone re: why he tells his Dad he wasn't at crime scene and why tells us he was. He relayed the following:

1. He has "huffed" gas for two years and he feels "half his brain is gone". He stopped "huffing" when he heard someone died from it. David "Deno" Pereffi got him started "huffing".
2. He wants us to get him evaluated.
3. He says the Police were yelling at him and told him that he failed lie detector test and that he better tell them the truth. They told him what to say and he said it on tape. Said they "got his nerves all messed up".
4. Said he was scared & that is why he told us he was there.
5. Said this was where he was May 5, 1993:
  - 9:00 a.m. - Dad woke him up and said Ricky Deese was there to pick him up.
  - 9:00 a.m. to 12:00 noon - worked with Ricky Deese and John Darby roofing house in West Memphis.
  - 12:00 noon to 1:00 p.m.- lunch at home with Dad
  - 1:00 p.m. to 6:30 p.m. - roofed house in W. Memphis with Ricky and John. They dropped him off at 6:30 at home.
  - 6:30 p.m. - Talked with Lee at home.
  - 6:30 p.m. to 7:15 p.m. - Walked down to Stephanie's house, she wasn't home. Police pulled up in driveway, said someone had assaulted Stephanies' son. Jessie told police that Steph was not home. Walked down to his Aunt's house, seen Johnny Hamilton on way their. Went home and then left to Dyess.
