12/1/93 Memo

MEMO

RE: MISSKELLEY  
FROM: DTS

I met with Jessie today. He informed me of the following:

1. Police told him what to say.
2. Told hem where "little boy was laying", how deep the water was, "ankle deep, not even knee deep".
3. Told him about Damien and Jason having sex with each other; Ridge even said he seen them have sex.
4. Told him about some pipe over ditch;
5. Told him about tree stump.

Jessie said he's never been to Robin Hood Hills, never walked any further than Wal-Mart.
