STATE'S EXHIBIT #45
Dr. W.Q. Sturner's CV

**CURRICULUM VITAE
MAY 2003**

NAME: William Q. Sturner, M.D.
BUSINESS ADDRESS: Arkansas State Crime Laboratory
 #3 Natural Resources Drive, P.O. Box 8500
 Little Rock, Arkansas 72215
BUSINESS PHONE: (501) 227-5936 Business Fax (501) 221-1653
HOME ADDRESS: [REDACTED]
 Little Rock, Arkansas 72212
HOME PHONE: (501) [REDACTED]
PLACE OF BIRTH: Granite Falls, Minnesota – September 6, 1934
MARITAL STATUS: Married – Dorthe
CHILDREN: Harold (DOB: [REDACTED] 69) and Jan (DOB: [REDACTED] 70)
SOCIAL SECURITY NO: [REDACTED]

EDUCATION AND DEGREES:

B.S. 1955 – College of St. Thomas (now St. Thomas University),
 St. Paul, Minnesota
M.D. 1959 – St. Louis University, St. Louis, Missouri
D.M.J. 1970 – London Society of Apothecaries (Pathology)
 Diploma of Medical Jurisprudence
F.A.C.P. 1973 – Fellow of American College of Physicians
M.A. 1975 – Brown University (Ad eundem)

POSTGRADUATE TRAINING:

Internship (Straight Pathology):	St. Louis University St. Louis, Missouri	1959-1960
Residency in Pathology:	St. Louis University St. Louis, Missouri	1960-1962
Fulbright Scholar, Forensic Pathology:	Guy's and St. George's Hospitals London, England	1962-1963
Fellow in Legal Medicine and Toxicology	University of Kentucky Lexington, Kentucky	1963-1964
Assistant Medical Examiner	City of New York	1964

005180

PRESENT APPOINTMENTS:

Professor of Pathology, University of Arkansas for Medical Sciences	1992 -
Chief Medical Examiner, State of Arkansas	1992 -
Professional Staff, University of Arkansas for Medical Sciences Hospital	1992 -
Professional Staff, (Courtesy), Arkansas Children's Hospital	1997 -

MEDICAL LICENSURE:

State of Rhode Island	(License #MD 4760)
State of Massachusetts	(License #49767)
State of North Carolina	(License #35526)
State of Arkansas	(License R-4339)

PAST APPOINTMENTS:

Chief Medical Examiner, State of Rhode Island	1974-1991
Professor, Department of Pathology, Brown University	1975-1991
Consultant in Pathology, The Miriam Hospital, Providence, R.I.	1975-1991
Lecturer - Forensic Medicine, Harvard Medical School, Massachusetts	1977-1981
Associate Professor, Section of Pathology & Laboratory Medicine, Brown University, Providence, Rhode Island	1975-1978
Associate Professor, Department of Pathology & University of Texas Health Science Center at Dallas Southwestern Medical School, Dallas, Texas	1974
Medical Examiner, Dallas County, Dallas, Texas	1969-1974
Consultant, Veterans Administration Hospital, Dallas, Texas	1969-1974
Honorary Clinical Associate, St. George's Hospital Medical School, London, England	1962-1963
Associate Medical Examiner, Office of the Chief Medical Examiner, City of New York	1964-1966
Instructor, Department of Forensic Medicine, New York University School of Medicine, New York, New York	1965-1966
Assistant Professor, Department of Forensic Medicine, New York University School of Medicine, New York, New York	1966-1967
Assistant Director of Pathology, Cook County Coroner's Laboratory, Chicago, Illinois	1967-1968
Research Associate (Assistant Professor), Department of Pathology, Pritzker School of Medicine, University of Chicago, Chicago, Illinois	1967-1968
Special Lecturer, Department of Pathology, University of Illinois School of Medicine, Chicago, Illinois	1967-1968
Visiting Assistant Professor, Department of Pathology, Pritzker School of Medicine, University of Chicago, Chicago, Illinois	1969
Assistant Professor, Department of Pathology, University of Texas Health Science Center at Dallas, Dallas, Texas	1969-1974

005181

BOARD CERTIFICATIONS:

Diplomate, American Board of Pathology
 Certified in Anatomic Pathology – 1964
 Certified in Forensic Pathology – 1965
 Certified in Clinical Pathology – 1966
 Re-Certified in Forensic Pathology – 1998

MEDICAL AFFILIATIONS:

National Association of Medical Examiners
 American Academy of Forensic Sciences, Fellow
 American College of Physicians, Fellow
 New England Society of Forensic Pathologists (Founding Member)
 American Medical Association
 International Association of Forensic Toxicology
 International Academy of Legal Medicine
 International Study Group for Natural and Unexpected Death (ISNUD)
 International Association of Identification - Arkansas Division
 Arkansas Medical Society
 Arkansas Society of Pathologists
 College of American Pathologists, Fellow
 Society of Pediatric Pathology
 International Wound Ballistics Association

OFFICES HELD IN MEDICAL ORGANIZATIONS:

Secretary, Pathology and Biology Section, American Academy of Forensic Sciences	1969
Chairman, Pathology and Biology Section, American Academy of Forensic Sciences	1970
Board of Directors, American Academy of Clinical Toxicology	1971-1973
Board of Directors, National Association of Medical Examiners	1970-1977
House of Delegates, Rhode Island Medical Society	1976-1978
Executive Committee, National Association of Medical Examiners	1977-1978
President-Elect, National Association of Medical Examiners	1977-1978
President, National Association of Medical Examiners	1978-1979
Chairman of the Board, National Association of Medical Examiners	1979-1980
Secretary-Treasurer, Rhode Island Society of Pathologists, Inc.	1978
President, Rhode Island Society of Pathologists, Inc.	1979
Chairman, Board of Directors, Rhode Island Society of Pathologists, Inc.	1980
Delegate (Alternate) American Medical Association for the National Association of Medical Examiners	1984-1987
Delegate, American Medical Association for the National Association of Medical Examiners	1987-1991

005182

MEDICAL AND SCIENTIFIC FRATERNITIES:

Phi Chi
Sigma Xi

AWARDS:

Fulbright Scholarship, University of London, England	(1963)
H. Ward Smith Travel Award, Canadian Society of forensic Sciences	(1975)
George Gantner Memorial Lectureship, St. Louis, Missouri	(1990)
Outstanding Service Award, National Association of Medical Examiners	(1991)
Milton Helpern Award, Section of Pathology and Biology, American Academy of Forensic Sciences	(1999)

COMMITTEES:

Interdisciplinary Committee, Child Abuse	1975-1980
Perinatal Committee, Rhode Island Medical Society	1975-1991
Biohazards Committee, Brown University	1978-1981
Curriculum Committee, Brown University	1978-1981
Medical Student Counselor, Brown University	1978-1985
Education Council, American College of Physicians	1981-1983
Project Community Council of Rhode Island	1976-1982
Rhode Island Chapter NSIDS Foundation	1982-1991
College of American Pathologists Missing Children Project	1984-1991
Medical Network for Missing Children	1984-1991
Lt. Governor's Task Force on Adolescent Suicide	1985-1991
Alcohol Advisory Committee, Department of Health	1982-1991
AIDS Advisory Committee, Department of Health	1989-1991
Promotions Committee, Department of Pathology, University of Arkansas for Medical Sciences	1992 -
Attorney General's Task Force on Gang Violence	1993 -
International Academy of Legal Medicine, Member of Praesidium, (Council)	1993-1994
Best Resident Paper Committee, American Academy of Forensic Sciences	1995 -
Legislative Committee, International Association for I.D., Arkansas Division	1997 -
Infant Mortality Review Board, Arkansas Department of Health	1998 -
Guidelines to Study Tissues of DNA Abnormalities, NAME, Chair	2002 -
Biomonitoring Committee, State of Arkansas	2002 -

COURSES: (Organization and Responsibility)

Medical Jurisprudence Course (28 hours) Bio-Med 393C, Brown University	1976-1991
Forensic Medicine (1 month elective) Medical Examiner's Office (R.I.)	1976-1991
Forensic Medicine (1 month elective) Medical Examiner's Office (AR.)	1992 -

COURSES: (Participation in Part) Brown University

Pathology 184	1975-1991
Neurosciences 382	1975
Anthropology 135 (Alcohol, Health and Culture)	1976-1985
Bio-Med I (Participation in Dr. Meissner's Section)	1975
Biochemical Pharmacology 128	1977
Bio-Med 390 (Health Consequences of Alcohol and Drug Abuse)	1979-1985
Bio-Med 390 (M.E. in Public Health)	1986-1991

MEETINGS: (Organization and Direction)

Allendale Burn Symposium, Brown University Program in Medicine,
Cranston Hilton Inn, November 10, 1976

National Association of Medical Examiners Annual Meeting
Sheraton Islander, Newport, Rhode Island, November 1978

International Conference of Forensic Pediatric Pathology, State of
Rhode Island and Brown University, Providence, June 1985
(Editor, Proceedings of Conference in Forensic Sciences
International, Vol. 30, Nos. 2, 3, Feb/March 1986)

GRANT AWARDS:

Sudden Infant Death Syndrome (Co-Award with Brown University, Child Study Center and Woman and Infants Hospital) MC-H-000002-01-1	1975-1982
Sudden Infant Death Syndrome (Co-Award with Clarke Institute of Psychiatry, University of Toronto, Department of Psychiatry)	1995-1997
Cardiac Channel Mutations in SIDS - NIH Grant (Co-Award with Mayo Clinic, Rochester, Minnesota)	2002

EDITORIAL BOARDS:

The American Journal of Forensic Medicine and Pathology	1980-1989, 1992 -
The International Reference Organization in Forensic Medicine	1966-1989
Journal of Forensic Sciences	1978-2002
Forensic Science International (Senior Editor)	1984-1991
Forensic Science Review	1989-1991
Medico-Legal Bulletin	1995 -

005184

TEXTBOOKS:

- "The Vitreous Humor in Forensic Medicine" (Preliminary Organization)
- "Temporal Factors in Forensic Pediatric Pathology" (Preliminary Organization)
- "The Doctor as Witness" (Preliminary Organization)
- "A Forensic Journey" (Preliminary Organization)

CONTINUING EDUCATION:

Interpersonal Communications	1993
Grievance Prevention and Handling	1993
Quality Management Team Problem Solving	1994
Performance Evaluation	1996
Workman's Compensation Law Update	1998

BOOK REVIEWS:

Knight, B., Editor - "The Estimation of the Time Since Death in the Early Postmortem Period", 262 pages, 1995; in Human Pathology, September 1996, Vol. 27, No. 9, p. 999-1000.
